Dear Parents/Caregivers,

A few weeks ago we ran a brief on-line survey about Health Education. We are required to do this every two years.

A brief summary of findings is attached.

Something Different …..
This year we are trying a new idea, to do with classes for 2017.
We have called it ‘Class Picnics 2017’.
It’s a chance for parents, as well as children, to mix with others who will be in the same class next year. It also gives the chance to meet their teacher.
It works like this:-
• You are invited to a 2017 Class Picnic at school on Tuesday 13 December at 6.00pm.
• We encourage you to bring a picnic tea. There will also be a sausage sizzle running, and drinks on sale.
• On Tuesday afternoon, children will meet their 2017 teacher. They will bring home a notice telling you their new room and teacher.
• At 6.00pm, each class will have an area of the field for their picnic. You will find your child’s area.
• Everybody spends time meeting everyone else!
• If you have more than one child, you will be able to ‘do the rounds’ during this time.
It’s a simple, fun way to set up the new year. There will also be a SPECIAL EVENT at the end.
We will tell you more next week.
We expect the 2017 Picnics to end by 7.00pm.

**HERE’S WHAT ONE OF OUR EVERGLADE PARENT HAS TO SAY ABOUT KINDO**

I’m finding it so useful. Ordering our wee girls uniform ahead of her starting in March, means I don’t have to worry about that at a later time. I am also using it as a savings, as my son needs a new uniforms but I’m not sure what size he will be next year, so I can just put money over into our account ready for 2017. I also did not like sending my son to school with $100, hoping it would get there. As I work pretty much 24/7, I find it a stress free way of sorting the kids school needs, or if I can get there within office hours. It also means for me, not having to go get cash out to send to school, I can pay online. I love it.
